<b>Name of the expert</b>	<b>Nicoletta Landi</b>
<b>Profession</b>	Anthropologist
<b>Topic covered</b>	Educating about sexuality today. Educating about sexuality is not a simple game, especially in Italy there is a "widespread silence" in many of its aspects. Talking about sexuality does not only mean paying attention to the clinical and health aspects that a sexual relationship can imply but also highlighting the emotions that the individual feels, as a participating subject.
