E-WISEE LAB

Name of activity	Pieces of paper
Description of activity	In this game, we have at least 3 groups of 3 or 4 people. Each group will receive an envelope with cut mixed cards. The groups will have a period to exchange and trade them with each other to complete their cards. The group with the most completed cards wins.
Who are the participants?	This activity is foreseen to strengthen Youth Workers, skills such as active listening, empathy, effective communication, and emotional communication.
Identification of the aims of the activity	The game promotes negotiation skills and empathy, - the key skills for effective communication. Negotiation skills help you to have successful conclusions (or win-win situations) and to handle less positive outcomes in a better way. Empathy helps you to see things from another expectation. This helps you to make communication more efficient.
Number of participants	3 groups of 3 or 4 persons
Duration	30 minutes
Materials for the activity	Envelopes; Mixed cut papers
Identification of the competencies	Negotiation Skills; Empathy; Effective communication
Suggestions for the post-activation debriefing	In the whole-class discussion, bring out the skills that have been acted upon
